The International Equestrian Federation (FEI) President, Princess Haya Bint Al Hussein of Jordan who resides in Dubai, made a quick visit to Bermuda on Wednesday 23rd June 2010 to meet with the Board members of the Bermuda Equestrian Federation (BEF). The purpose of her visit was a fact finding mission to gain some insight on the needs of the development countries that make up the Group IV contingent of the FEI of which Bermuda is a part. President of the BEF, Mr. Michael Cherry stated that "it was a productive meeting and HRH was impressed with the BEF programmes." Board Director and PRO McKeisha Smith said that "Princess Haya was genuinely interested in the ideas proposed and she will be looking to make some of these recommendations a reality after she meets with our neighbours to the south for their input." Princess Haya left Bermuda early afternoon having concluded her day with a picturesque lunch at Cafe Lido's waterside with a few of the BEF Directors. She was headed for Jamaica followed by Cayman, Antigua, Barbados and Trinidad.
